

# FIFTY-FIFTY FULL

Data Sheet n°038

The Fifty-Fifty Full reception counter is composed of 13 modules to be combined to create the required reception counter:

- ▶ Left or right corner module, L 100 and L 140 cm.
- ▶ Intermediate modules, L 100 and L 140 cm.
- ▶ Left, right or central DDA module, L 100 cm.
- ▶ Front facing L 60 and L 120 cm, fitted or not with LED.

- Material: Structurex®- PPSM\*, thickness 25 mm Mat or Soft Touch.
- Edging: 2 mm thick shock-proof ABS.
- Assembly: screwed studs with eccentric tightening, wood dowels, brackets.
- Equipped with black adjustable screw jacks of 25 mm diameter and stroke 10 mm.
- Desktops are fitted with 2 pre-drilled grommet holes 80 mm diameter for cable management.
- Modules are assembled using a metal connection kit of dimensions L 5 / H 29 cm.
- The connection kit is equipped with a sliding metal cap on top to feed a few cables.
- Square support leg 50 x 50 mm, lacquered epoxy with 10 mm adjustable screw jack, positioned at the junction between the work tops.

## CORNER MODULE

- Dimensions: L 100 or L 140 cm / H 108 cm / work top H 74 cm.

Available in the left or right version, to finalise the reception counter or add returns.

- Useful dimensions of the L 100 cm module: L 97.5 cm and L 95 cm when the corner module is combined with a central DDA module, due to the modesty panel.
- Useful dimensions of the L 140 cm module: L 137.5 cm and L 135 cm when the corner module is combined with a central DDA module, due to the modesty panel.

## INTERMEDIATE MODULE

- Dimensions: L 100 or L 140 cm / H 108 cm / work top H 74 cm.

With this module, an infinite number of extensions can be added to the reception counter.

## LEFT / RIGHT OR CENTRAL DDA MODULE

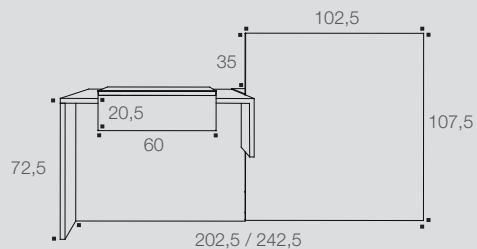

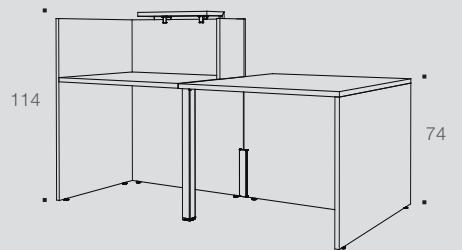

- Dimensions: L 100 cm in Central version and L 102.5 cm in left or right final version / H 108 cm / work top H 74 cm.

Left and right DDA module offering the same design as the Fifty-Fifty reception counter, i.e. with a side leg panel of dimensions L 107.5 cm / H 70.5 cm and a top of dimensions D 107.5 cm / L 102.5 cm with 35 cm extension for the DDA reception counter

## FACING

The front facing acts as reception shelf for visitors.  
Available in:  
- L 60 cm or L 120 cm / H 47 cm / D 20.5 cm with shelf.  
- With or without pre-fitted inner and outer LED.

The shelf and the front panel of the facing are mitre-cut assembled for a perfect elegant finish.

In compliance with NF EN 527-1/-2/-3, NF EN 14074, NFD 62042, ISO 9241-5, XPD 60050.

\*Structurex® - PPSM: Melamine-coated particle board covered with a plain or imitation wood decorative coating. Counter-balanced with anti-reflection treatment. Density 680 kg/m³ (±5 %), thickness 25 mm.
