

TENARA BENCH DESKS

Il sistema operativo Modello Idea+ è caratterizzato da due concetti fondamentali: la grande offerta di 6 tipologie strutturali di supporto e la gamma di finiture. La particolare essenzialità e funzionalità di Modello Idea+ mette l'uomo, i suoi movimenti, le sue operazioni al centro del progetto.

Modello Idea+ line is characterized by a wide range of frames (6 types) and of finishes. The essentiality and functionality of this line focuses the attention on the man and his work.

Sistemi operativi integrati in melaminico.

Scrivanie contrapposte o singole si integrano facilmente con gli elementi di sostegno garantendo al sistema robustezza, flessibilità e adattamento tecnologico.

Side by side or single desks match well the supporting elements giving strength and flexibility.

Modello Idea+ è un sistema dotato di elevata flessibilità che consente di creare aree di diversa funzionalità con l'utilizzo della paretina divisoria aggregata alla scrivania. **Modello Idea+ line is a high flexible system which allows to create different, very functional working areas with the help of the partition, joint to the desk.**

Paretine, screens e pannelli attrezzabili per generare prestazioni operative con livelli di privacy differenti e personalizzati.
Partitions, screens are used to create different and personalized private spaces.

Modello Idea+ è anche un sistema bench a piani condivisi. Ogni elemento manifesta una sua propria filosofia generata dallo studio degli spazi e dall'evoluzione tecnologica e informatica.

Modello Idea+ is also a benching system with shared desktops. Each element has its own character and has been carefully studied giving importance to the working space and the technological progress.

Pratica ed intuitiva come un gioco ad incastro. Modello Idea+ esalta la flessibilità e la trasformabilità dello spazio in base alle esigenze dell'ambiente. Pareti e scrivanie sono gli elementi del gioco.

Practical and intuitive like an interlocking puzzle. Modello Idea+ increases the flexibility and the changeability of the room according to your needs. Partitions and desks are the elements of the game.

Isola di lavoro semidirezionale. Le pareti consentono di creare partizioni di spazio ideali per separare gli ambienti in relazione alle specifiche esigenze dell'ufficio.
A working island which is almost executive. Partitions allow to create separate areas according to the needs of the office.

Geometriche e lineari, componibili tra loro e con le scrivanie Modello Idea+, le pareti divisorie costituiscono un elemento fondamentale per gestire e personalizzare gli spazi e gli ambienti.

Geometrical and linear, matching with themselves and the Modello Idea+ desks, partitions are important to manage and personalize the working spaces.

Pareine, scrivanie ed accessori creano spazi separati per disegnare postazioni adatte al front-office e al ricevimento.
Screens, partitions, desks and accessories create separate posts suitable for the front-office and the reception.

Progetto senza tempo, intelligente e funzionale, la classica gamba a "T" di forte spessore, predisposta per l'alloggiamento dell'elettrificazione; un oggetto sempre nuovo.

Evergreen design, intelligent and functional, the "T" shaped leg is a classic leg fitted for cable management, an item always new.

Pareine integrate in una composizione a pettini contrapposti. Le singole postazioni sono schermate tra loro, un equilibrato compromesso per mantenere la privacy operativa.

Integrated partitions in a composition of opposite combs. Each post is screened: a good compromise to keep the privacy while working.

Modello Idea+ riunione

Tavoli riunione o meeting, monolitici o composti, ma sempre con il confort dato da un arredo adeguato

Simple or compound meeting tables, always comfortable and tasteful.

Modello Idea+ riunione

Modello Idea+ riunione

Vasta gamma di forme e finiture per adeguare i tavoli ad ogni necessità estetica e funzionale senza trascurare le esigenze dello spazio.

Wide range of shapes and finishes to adapt the tables to each of your needs concerning the look, the functionality and the room.
